Subject: Fresh Affiliation up to Secondary Level

Respected Sir,

We wish to draw your worthy attention towards a wonderful creation which was setup and named as Great Mother Teresa Public School in April 2016, with all the appropriate resources and up to date facilities for both our growing little kids & grown up and excelling youth.

It is to be stated that our school registered as under Great Mother Teresa Public School Society has also already been qualified under the norms stated by the State Government and was issued the registration very smoothly. School has also been granted the No Objection Certificate by the State Government in 24.08.2020.

School also do accept and complies the Affiliation Bye Laws of your board laid for the Secondary Level School. We registered the school on your website in the current academic year and were provided with the **Registration Number as SL-01578-2223**. We wish to get the affiliation from yours very popular and an appropriate board in order to start our new upcoming sessions of higher classes smoothly.

Therefore, we request you to allow us to seek the hold of the Affiliation from your board.

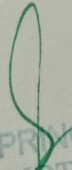

We look forward for a reply from you.

Thanking You

Best Regards
